

**WEST ALLEGHENY SCHOOL DISTRICT
REQUEST FOR ADMINISTRATION OF MEDICATION
DURING SCHOOL HOURS**

The West Allegheny School District requests that medication be given at home during non-school hours. However, it recognizes that sometimes it is essential for medication to be administered at school. All medication **MUST** be in a pharmacy labeled container. The label must include the name and phone number of the pharmacy, the pupil's name, the physician's name, the medication, the currently prescribed dose, time of administration, and the Rx numbers. Additionally, a written order from the physician as well as written consent form the parent for administration of the medication is required.

I understand fully the directions that have been given to the school by the physician and agree to permit the school to administer this medication to my child. In consideration of the school district's agreement to use good faith efforts to properly administer this medication, the district is hereby relieved from liability for any failure to properly administer the same. I also authorize the school to contact said physician regarding this medication.
