The school district will only consider a program if the student is able to meet all requirements for graduation as outlined in the Student/Parent Handbook. Students must be able to demonstrate the educational significance of their participation in an independent study program.

Only students demonstrating exceptional talents or needs for acceleration can qualify. All possible efforts should be made to meet these needs through the regular curriculum. Students must complete an independent study application, following all required steps, and have the application approved prior to beginning an independent study course.

Independent study courses cannot replace a required or existing course offered. Freshman and sophomore students may only schedule independent study courses in the event of a conflict in their schedule and/or with prior approval of a counselor and an administrator. The High School Principal shall act as final authority regarding questions in regard to independent studies.

DUAL ENROLLMENT COLLEGE COURSES

Juniors and seniors may enroll in college courses outside of the concurrent/dual enrollment offerings available through West Allegheny affiliated programs (Early College in High School Academy – CCAC (concurrent), Early College in High School Academy – PTC (concurrent/dual), and the Aviation Academy (dual)) while simultaneously completing all West Allegheny credit requirements for graduation. This option will provide students with the opportunity to earn college credits as well as high school elective credit (one West Allegheny credit may be awarded per three-credit college course passed with a grade of "C" or better) if desired.

Students wishing to have West Allegheny credit awarded are responsible for informing their school counselor and providing an official copy of their final grade transcript for the college course. **Dual enrollment courses taken outside of West Allegheny affiliated enrollment programs may not replace West Allegheny core courses.** Students who pursue this option are responsible for their own transportation, fees, books, and tuition. Students must complete any forms required by the college.

Students may take courses at any college or university that offers a dual enrollment program. In the past, students have taken courses at such places as Community College of Allegheny County, Penn State – Beaver, and Robert Morris University.

Any student wishing to participate in dual enrollment must complete an application process, which includes approval by the student's school counselor and the high school administration and may be asked to provide ongoing proof of course enrollment.

DUAL ENROLLMENT

Students may request to receive credit towards West Allegheny elective requirements for dual enrollment courses taken outside of West Allegheny affiliated programs in which they earned a "C" or better. The letter grade earned in the college course will appear on the West Allegheny transcript.
