Crocodile Fun

1. Cut out crocodile head and glue to a paper bag.
2. Cut out all letters and snap cards.
3. Place the card in the bag.
4. Children and parents will take turns pulling a letter, and saying the name and letter sound.
5. If the answer is correct the letter goes in the center of the circle. If they are incorrect "phone a friend" for help! If a "snap" card is pulled, put arms out like a crocodile and say "Snap! Snap!" and all of the cards go back into the crocodile and play continues.
