

Dear West Allegheny Families,

We hope this finds you and your family well and your child(ren)'s first two days of remote learning successful. We do recognize that establishing an in-home learning routine may be overwhelming at first; be assured we are committed to supporting you through it. If you are having difficulties, please reach out to your child/ren's teacher and/or principal.

In an effort to limit the amount of daily emails you are receiving, **we are moving the student daily attendance form to both the [Quick Links](#) and [Student Portal](#) pages on the District's website for easy access.** Please be aware that students or parents will still be required to complete the form no later than 6 p.m. on each remote learning day to account for your child's participation .

Yesterday, Governor Wolf extended the stay-at-home order until April 30 and indicated schools would remain closed indefinitely. With this information, West Allegheny schools will remain closed through at least Friday, May 1. During this extended and indefinite closure, we will continue with the remote learning plan. We will continue to monitor the situation, adapt plans accordingly and keep our families apprised of how these orders impact our remote leaning plans and the school event calendar.

We sincerely thank you for your ongoing support as we meet this challenge together.
