

# Logging In

## Office 365

To begin, go to the school's website ([westasd.org](http://westasd.org)). From there, click on the student button.

### Student Portal

West Allegheny School District is pleased to provide a student portal for easy access to the following readily used online services:

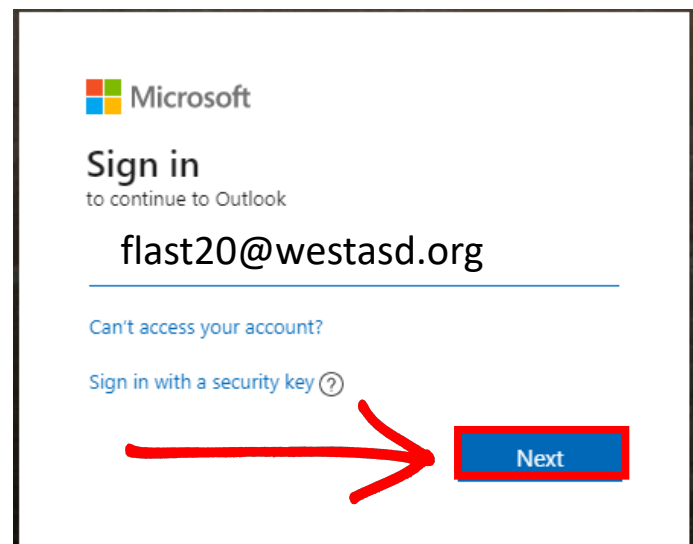

[Office 365](#)

[Skyward](#)

On the Student Portal page, click on the "Office 365" link.

At the Microsoft sign-in page, the username will be the first initial, followed by the last name, last two numbers of the graduation year, and @westasd.org

Ex: flast20@westasd.org

Sign in with your organizational account

flast20@westasd.org

Password

Sign in

At the West Allegheny sign-in page, the username should be filled out already (it's the same as the Microsoft Sign-In). Then enter the student's password.  
Grade K: Information to be provided  
Grades 1-8: Student 10-digit ID  
Grades 9-12: Student defined password

# Google

To begin, go to Google (google.com). From there, click on the “Sign In” button at the top right.

# Skyward

Each school that uses Skyward has their own unique website address, directly typing “skyward.com” will not work. If you do not already have the site bookmarked, the easiest way to find our address is by going to our school website (westasd.org), going to ‘Quick Links’ in the top-right area of our webpage, and choosing ‘Skyward’. Once you are on the login page, you can bookmark the site for your convenience.

On the login page for the “Login ID”, type the same username you use to login to computers, which is the first initial of your first name, last name, and 2-digit grad year. Example: astudent27 For “Password”, type the same password you use to login to computers. When you finish typing your “Login ID” and “Password”, click the “Sign In” button.
