

West Allegheny School District - School Code of Conduct

West Allegheny School District believes that it is essential for our schools to provide a safe and supportive atmosphere that is conducive to learning. Students must be able to work together and to accept and share responsibilities. While discipline begins in the home, the school provides reinforcement and continued opportunity for students to learn self-discipline and behaviors appropriate for becoming responsible citizens and living productively in our society.

West Allegheny's approach to student discipline is corrective and intended to modify the inappropriate behavior. Maintaining appropriate standards of discipline in the West Allegheny School District is essential to the establishment of a safe and orderly educational environment where students can learn. The Student Code of Conduct will be interpreted by the administration and their designees in a manner which they deem just, given the circumstances of the individual case. **Additionally, students must understand that administrators shall have the authority to enforce other reasonable disciplinary actions which they find warranted by situations not covered specifically (including limiting student participation/attendance in extracurricular school-based events/special assemblies/programs aimed at rewarding positive student effort and performance).**

Discipline issues arise for a variety of reasons and in varying degrees of frequency and severity. The general sequence presented here is not intended to be rigidly followed. The actual sequence of disciplinary action may vary depending on the individual case and the process will be initiated at the step deemed appropriate. In general, these steps are followed:

1. Teacher and student address issue
2. Teacher and parent/guardian address issue
3. Teacher, counselor, parent/guardian and/or student meet to address issue
4. Principal, parent/guardian, student, and other school personnel are involved to address issue
5. School officials, parent/guardian, student, and social service agencies are involved to address issue
6. An administrative review occurs with the principal
7. A superintendent's review occurs with the administrative staff, the superintendent or designee
8. School Board hearing

Misbehaviors and their interventions are categorized across four levels according to degree of seriousness and frequency of occurrence. Each school may have additional guidelines for student behavioral expectations as part of a positive behavior intervention and incentive system.

An accurate record of the offense, corrective and intervention supports, and disciplinary action must be maintained by the teacher or staff member. Repeated instances of Level I behavior, despite redirection or intervention, may constitute a violation at a higher level with referral to an administrator.
