

PA Bullying Prevention Consultation Line

In 2014-2015, the Office for Safe Schools, Pennsylvania Department of Education (PDE), announced the availability of the PA Bullying Prevention Consultation Line. The Bullying Prevention Consultation Line is a toll free number that will allow individuals experiencing chronic and unresolved bullying to discuss effective strategies and available resources to deal with school-based bullying. This supportive resource was developed in collaboration with the Center for Health Promotion and Disease Prevention (CHPDP), and is available, at no cost, to students, parents/guardians and school districts across the Commonwealth of Pennsylvania.

Messages can be left 24 hour a day, seven days a week, and will be returned Monday-Friday during normal business hours. The Consultation Line number is 1-**866-716-0424**.
